Parent Teacher Information Evening

Tuesday, February 7, 2012

Dear parents,

We will be holding an information evening for parents on the evening of Monday, February 20. The times are as follows:

5:00 pm   K/1
5:30 pm   Class 1/2
6:00 pm   Class 2/3/4
6:30 pm   Class 4/5/6

Each session will last approximately 30 – 45 minutes.

Meetings are held in classrooms.

You will hear information about classroom expectations, homework, home reading, units of work, day to day organisation and school programs. There will be information on using Mathletics in the class and at home. There will also be the opportunity to ask any questions that you may have.

If you need to organise a time to see your child’s teacher then that can be done at the end of the meeting.

We look forward to seeing you there.

Kind regards,

Karin Hird
Principal
